Education

PES University

BTech in Computer Science Engineering (AI/ML)

Aug. 2023 – May 2027 (expected)

Bengaluru, Karnataka

Vedanta PU College

Senior Secondary School Education (PU Board Karnataka)

Jun. 2021 – Apr. 2023

Bengaluru, Karnataka

Work Experience

Centre for Healthcare Engineering and Learning, Intern

Jun. - Jul. 2025

Built **XGBoost** and **KNN** models for Parkinson's disease classification using audio and handwriting data.

Projects

Parkinson's Disease Detection using Deep Learning | *TensorFlow, Keras, Flask, React*

- Trained **XGBoost** and **KNN** models using **Librosa** audio features and **CNN image features** to classify Parkinson's disease from voice recordings and handwriting patterns.
- Flask web app that analyzes uploaded samples using AI models to detect potential Parkinson's disease symptoms.

Sports Celebrity Image Classification | *Flask, OpenCV, Sklearn, HTML/CSS, JavaScript*

- Developed image classification ML model using **wavelet transforms** for feature extraction (**95% accuracy**); implemented Flask backend with **OpenCV** and **Sklearn**.
- Designed responsive frontend with **Dropzone.js** for image uploads.

Technical Skills

Languages: C, Python, C++, Java, JavaScript

Web Development: HTML/CSS, React, Next.js, MongoDB

Tools: Git, Flask, OpenCV, Pandas, NumPy, Scikit-learn

Certifications

Licensed HAM Radio Operator, VU3FHA

Oct. 2024

Department of Telecommunications, Gov. of India

Advanced Learning Algorithms, DeepLearning.AI

Mar. 2025

Credential ID 3VO3ERU77VBS [View Credential](#)

Supervised ML: Regression & Classification, DeepLearning.AI

Oct. 2024

Credential ID BA3S77PYIFC2 [View Credential](#)

Achievements

State Champion - RBI90 Quiz (Rs. 2L prize)

Nov. 2024

Zonal Runner-up - RBI90 Quiz (Rs. 4L prize)

Nov. 2024

National Finalist - RBI90 Quiz

Dec. 2024

2nd Place - Inter-College Quiz @ St. Joseph's College

Feb. 2025

Honourable Mention - Jigyasa 4.0 MUN (AIPPM committee)

Aug. 2025

Extracurricular

AVIONS, PES University

Oct. 2023 – Present

Member

Bengaluru, Karnataka

- Contributed to design and development of mini drone project
- Assisted in testing and deployment of drone components

QQC, PES University

Dec. 2023 – Present

Marketing & Operations Head

Bengaluru, Karnataka

- Organized college and inter-college quizzes attracting 500+ participants
- Curated challenging question sets for competitive quizzes

MUNSoc, PES University

Sept. 2024 – Present

Marketing Head

Bengaluru, Karnataka

- Participated in multiple Model UN conferences as a delegate
- Managed logistics for 300+ participant UniCon'25 conference

Akshaya Patra

Aug. 2023

Volunteer

Bengaluru, Karnataka

- Supported meal preparation initiatives for underprivileged children
